

Exhibit Opportunity

Join us in **Washington, D.C.** during the week of **October 9-13** to discuss the latest research, trends, innovations, and solutions to challenges faced by the textile and apparel industry. The 2017 conference focus and call to action is *“United by Action: Catalyzing the Sustainable Development Goals in Textiles.”*

We invite you to highlight your company with an exhibit space at the 2017 Textile Sustainability Conference (Exhibit days are Oct. 9-12). Exhibit table spaces are *extremely limited*, reserve early to guarantee your space!

Exhibit Space Details

1 – What Size is an Exhibit Space?

An exhibit space at the Textile Sustainability Conference includes one (1) six-foot rectangular table (see image right) and 2 chairs. This event is not designed to provide space for elaborate “tradeshow style” exhibits.

2 – When Would I Set Up My Exhibit Space?

You or someone from your company will be responsible for setting up the exhibit space in the Bolger Center Franklin Ballroom on Monday, October 9, at any time between 12:00 and 18:00. If shipped items have been delivered to the hotel, these boxes will be waiting for you at your assigned exhibit space (shipped packages should be clearly marked).

Note: Exhibit spaces will be visible to all attendees starting with the conference Welcome Reception on Monday, October 9 at 6:00 p.m., through the close of the conference on Wednesday, October 11. Any empty tables will be removed by 5:30 p.m. on Oct. 9 and refunds will not be given. Exceptions for late set up can be made if arranged in advance).

3 – Can Someone Who is Not Attending the Conference Work at My Exhibit Space?

No. All persons entering the conference area must be registered to attend the conference. The only exception is for Exhibit set-up and break-down – non-registered attendees will be allowed to enter the conference venue during these times only.

4 – What Materials May I Show at an Exhibit Space?

Your company is welcome to display brochures, a variety of product, and any relevant information for conference attendees. Out of consideration for the other exhibitors around you, these materials must fit within the allotted size of the exhibit space (on the table or next to the table without encroaching upon the space of exhibitors next to you).

5 – Where Will my Exhibit Space Be Located?

All exhibit spaces will be located in the Franklin Ballroom at the Bolger Center or in the foyer area if additional space is needed. This room is where the cocktail reception and all of the plenary/key-note sessions will take place and has been identified as the area with the highest flow of people to foster an atmosphere of networking for all conference attendees among the exhibitors (see image right). Exhibit spaces will be pre-assigned by Textile Exchange with conference sponsors receiving preferred placement. These location assignments are not negotiable.

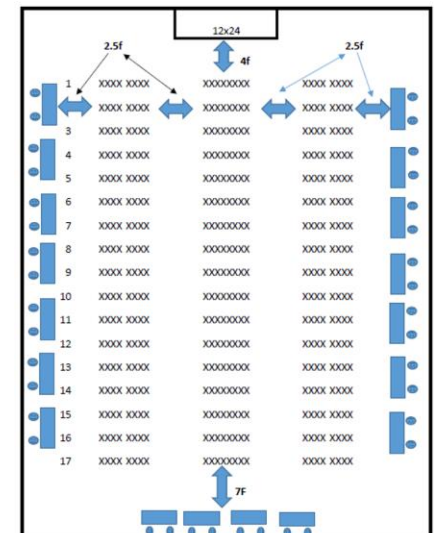

6 – Can I Place a Banner or Posters with my Exhibit Space?

You are welcome to include separate company signage to display next to or behind your company table, this must be a free-standing banner provided by your company and it must not interfere in any way with other exhibit spaces.

7 – When Can I Break Down my Exhibit Space?

Your company will be responsible for removing all exhibit space materials between 6:00 p.m. and 7:00 p.m. on October 11 at the close of the conference. Each company is responsible for arranging packaging and return shipment for all materials; Textile Exchange cannot facilitate exhibit removal or shipping on your behalf and is not responsible for the loss of materials that are not removed by 7:00 p.m.

Remember, conference sponsors will receive a complimentary exhibit space along with other benefits. To confirm your Exhibit space or for more information, please contact [Rita Luppino](#).
