

Companies Certified to the Organic Content Standard

Updated December 2017

Textile Exchange Member Companies

These certified companies are active members of the Textile Exchange (TE) community. Industry Integrity is a core pillar of TE and the GRS, OE Standards, and OCS support our mission to make the textile industry more sustainable. Overall TE has a wide scope of work and its members benefit from a variety of valuable tools and resources. If your company is interested in supporting the growth of sustainable practices in the textile value chain by joining TE as a member, details are online at TextileExchange.org.
