

## 2019 Annual Report

### Our mission

---

Textile Exchange inspires and equips people to accelerate adoption of preferred materials in the textile value chain.

### Our vision

---

We envision a global textile industry that protects and restores the environment while enhancing lives.

### Our strategy

---

Our strategy is to accelerate climate action in the textile industry by providing trusted data and reporting, market-based solutions, and a community that can do what no single company or organization can do alone.

**Textile Exchange included 44 staff and ambassadors from 15 countries around the globe.**
